Our Club

The KTR – "**Internationaler Klub für Tibetische Hunderassen e.V.**" is a Pedigree Breed Club following the regulations of the "**VDH**" (the German Association for Dog Breeders). Its purpose is the promotion and breeding of all four Tibetan Breeds: Do Khyi, Lhasa Apso, Tibetan Spaniel und Tibetan Terrier; according to the International Breed Standards of the **FCI** (Fédération Cynologique Internationale).

The **KTR** is not only the very first German Club for Tibetan Breeds but also the oldest Club worldwide, looking after all four of them. The club has got members all over the world and was founded in 1967 as a "non-profit-making organization" with its legally-registered office in Bad Homburg.

The **KTR** unites friends, owners and breeders of Tibetan dogs with the aim to add to the understanding of history, cultural significance and traditional type of the Tibetan Breeds; It also aims to encourage and safeguard keeping and breeding by knowledgeable dog lovers with the goal to guarantee a safe future, maintaining their unique appearance and soundness as well as their special character.

The **KTR** offers me the possibility to enter personal data (name, phone-number, own homepage, e-mail (not visible) full address) on to the KTR-Homepage. Precondition for entering the data is a complete list of all data required. I can also publish details about my dogs and breeding, considering the rules of the KTR. I can cancel publication of my data on the homepage at any time by informing the KTR-Committee.

Everyone in agreement with the regulations of the VDH as well as the goals and values of the KTR can become a **member** when willing to support the KTR Club community and not following commercial interests.

The annual membership fee includes the "KTR-magazine". Members are also able to purchase the monthly magazine "Unser Rassehund-UR" issued by the VDH for a reduced price.

We would love to welcome you as a new member. Our membership application form can be filled out directly at your PC. Please return the signed application to the KTR office.
